### MHCSA Education Session:

#### “High Reliability Organizing: A Layered Approach”

This presentation will share key drivers and processes used in organizing for reliability in healthcare. The presenter will share examples and methods that have been used to sustain gains as well as accelerate one hospital system's journey towards reliability.

Speaker: Amy Anyangu, RN Director, Patient Safety and HRO Development, SCL Health, Denver, CO

**Note: This was the highest rated educational session at this year's Michigan Safety Conference.**

MHCSA MISSION: To promote and maintain “safety” as a primary function in the delivery of quality health care services.
